

Woods at Mill Valley Newsletter

July 5, 2007

It's that time of year again!

We have some properties that have not yet paid their 2007 - 2008 dues. The board recently sent out 2nd notices to those homeowners. The board has discussed the available options and has decided that liens against properties is not a cost effective means for recovering lost dues. This year, the board will research enlisting the aid of a collection agency to recover unpaid dues.

For those who have not yet paid, simply cut off the dues request form and mail it along with your payment, to PO Box 515, Marysville Ohio 43040.

Website movement

One of our primary goals is to improve communication in our neighborhood. In order to achieve that goal, we have set up a new and improved website. Unfortunately, the previous webserver has not proven to be reliable and we will be moving the entire website to a new location. The address will stay the same, with all of the changes being made behind the scenes. The new server has a reputation for 99.9% uptime and is specifically designed for the Drupal system that we are using. If you have not visited the website lately, please take the time to join us. We have many activities planned and all of them are discussed in detail at <http://www.woodsatmillvalley.org>.

The board wants to hear from you!

The board is very interested in what you have to say. With this in mind, the monthly trustee meetings have been opened to the public. Meeting dates and times will be posted on the website. Please make time to attend.

Good people doing good things...

Thank you again to the many helpful individuals who volunteered for positions and/or committees! We're pleased to announce that the garage sale in June was a big success and we appreciate the help from all of the homeowners involved.

We also have a toy exchange / child identification day planned for July 15 at the Creekview School parking lot. Bring your toys and trade with others. The police will be available to fingerprint the little ones.

Remember, there is *always* room for one more volunteer! If you would like to join a committee (we have several, including: Safety, Beautification, Welcome Wagon, Oversight, and Community Activities) please contact Steve, Todd or Debbie at www.woodsatmillvalley.org
